# A bit about the department

## PURE SALOON

The department works as a commercial business and continues to expand its provision in all areas of the beauty industry where possible, we aim to support our local community and beyond by training our students to provide professional salon services and meet the needs of the employers around us. We have courses to suit all and currently offer the following VRQ qualifications as both day time study programs for 16-19 and evening provision for 19 plus:

**Level 2 Diploma in Beauty Therapy**

**Level 3 Diploma in Beauty Therapy Techniques**

The staff within the department are qualified and experienced in their field and have a wealth of industry experience. We hope that you will enjoy your course and feel confident that you will receive the best tuition, guidance and support to enable you to progress onto higher education or enter your chosen career. The staff work closely with pastoral and progress tutors and offer a holistic approach to learning. We also have good relationships with local providers such as salon, spa and independent companies who can offer placements during your time on the course, placement is highly recommended and 30 hours is a required element for all our qualifications.

We can offer extra support and guidance and refer to study skills if required.

We wish you every success during your time here with us and look forward to meeting you.

Macclesfield College

# Where this course could take you

## **Mandatory Technical Units (all must be completed)**

Unit 305 Provide body massage 84 9

Unit 306 Provide facial electrotherapy treatments

Unit 307 Provide body electrotherapy treatments

Optional Units

Unit 333 Camouflage make up

Unit 322 Apply stone therapy massage

The level 2 courses may take you into employment or onto our level 3 program with the potential to progress to level 4 and 5 at university, where you can complete a degree in various subjects. You may choose to study, once qualified, other health industries such as physiotherapy, dermatology or progress into aesthetics and extend your learning into the health and wellbeing field.

On completion you may chose to gain employment in a salon or spa, or alternatively work independently.

We have had many students pursue diverse pathways following successful completion of their course. We also have students who have completed their course and entered full-time employment, often with the organisation where they conducted their work placement.

Your tutors will work with you to find the progression pathway which is right for you.

Macclesfield College

# A task to get you started

Before you join us in September we would like you to do some preparation so you are ready for your first assignment.

## Level 2

Research the lash and brow industry and prepare a small presentation demonstrating what you feel is on trend for 2021/22.

Create a short presentation to include the following:

Picture examples.

Prices of service examples

Written description with treatment background and why you find its popular today.

## Level 3

Level 3 is not only about making people outwardly look good its also about improving an individual's general wellbeing, create a small presentation on one of the below topics:

Nutrition and body image

Exercise and mental health

Massage therapy in the management of stress related illnesses

## Essential kit

Level 2- you will be expected to wear our specified tunic and trousers and a full flat black shoe for all practical services.

You will need our- OPI manicure and pedicure kit and our Kryalon make-up kit, and tweezers of your choice.

Level 3- you will be expected to wear our specified tunic and trousers and a full flat black shoe for all practical services. If you are a returning learner your previous uniform is permitted if clean and in good professional condition.

You will need our- Professional Camouflage make-up kit

Macclesfield College

# Additional Resources

During your time on the course there are some resources we feel would be beneficial to you.

You will need the following:

**A4 lever arch ring binder**

**File dividers**

**Plastic wallets**

**Pens**

**A4 lined note pad**

**Highlighters**

**Coloured pens**

**Glue sticks**

**Scissors**

**Fob watch (essential for time management as phone are not permitted during beauty services)**

**Camera (although your phone may be used for this)**

**Writing note pad**

**Headband, clips and bobble if hair is long. (Hair must be off the face in the beauty salon)**

We would also recommend the official course text books, we do have some available in the college library and it is available online however students often find having their own copy really beneficial.
