A bit about the department

HAIRDRESSING

puresalon@macc is the Hairdressing, Media Make-up and Beauty Therapy department at Macclesfield college. We are an ideal choice for anyone interested in a career within the industry.

The Hairdressing department within the college offer a variety of qualifications perfect for every pathway. Including apprenticeship and fulltime options, with an evening provision for Adult Learners.

The following courses will run 2021-22:-

Level 1 Diploma in an Introduction to the Hair and Beauty Sector

Level 2 Diploma in Women's Hairdressing

Level 3 Diploma in Women's Hairdressing

And for our Adult students

Level 2 Certificate in Women's Hairdressing

Level 3 Certificate in Women's Hairdressing

We run commercial salons within the college to allow all students in our area to have industry experience within the college setting. We have a wide variety of courses taught by all industry experts.

Meet the team

Anjka Rodgers-Jones

Anjka has been working at Macclesfield College for over 20 years, before becoming a lecturer she owned her own salon, working closely with industry experts. Anjka trained as a hairdressing at college full-time before starting her career. She is also trained as a stylist in the Media Make-up area, where she teaches all aspects of hairdressing within a media setting, from wigs, to weaves and hair extensions. Anjka is the Level 2 Adult and Level 3 co-ordinator.

Dawn Bours

Dawn Has worked at Macclesfield College for just over 10 years, before that she owned her on business working in salons and freelance. Dawn was an apprentice before moving to a different salon to become a stylist. Dawn is the Level 1 and 2 co-ordinator.

Macclesfield College

A task to get you started

Before you join us in September we would like you to do some preparation and complete your first assignment.

We would like you complete a research project to be completed by Induction week in September.

We would like you to complete your research project and first assignment on one of the following:-

A famous Hairdresser listed below.

Trevor Sorbet

Nicky Clarke

Lee Stafford

Vidal Sassoon

Andrew Collinge

A piece of equipment/technique invented and developed over the years, and still use and practiced in salon's today.

Tongs

The history of colouring

The history of Perming

Hairdryer – Hooddryer & handheld

When you have made your choice, think about what you are going to write, all the hairdressers above, the equipment and techniques are important and have relevance in today's hairdressing industry.

Enjoy and we'll see you in September.

Additional Resources

You will need to purchase a uniform, you can order this online or over the phone from the order forms. You will also need a kit, which includes all your equipment including dolly heads for you to train on. You can find out about funding for the kit on enrolment day.

As well as your kit and uniform you will need the following:-

A4 lever arch ring binder

File dividers

Plastic wallets

Pens

A4 lined note pad

Highlighters

Coloured pens

We would also recommend the official course text books, we do have some available in the college library and it is available online however students often find having their own copy really beneficial.
