SAFER RECRUITMENT AND VETTING POLICY AND PROCEDURE

1 Introduction

- 1.1 The College is committed to providing an environment which recognises that the delivery and management of effective safeguarding of children and adults identified as 'vulnerable,' requires sound procedures, good inter-agency co-operation and highly competent and managed staff who are confident via on-going training and development.
- 1.2 This policy provides a framework, which incorporates the advised nationally recommended safeguarding practices, thereby ensuring that the College has in place a robust and rigorous recruitment and selection procedure, which precludes unsuitable applicants from gaining a position with the College.
- 1.3 To ensure a secure environment is maintained the policy covers (at para: 6.1 - 11.3) Visiting, Agency, Contracted and Casual Staff, Trainee & Student Teachers, Students on work placements, Staff, Governors and Volunteers' who are not directly employed by the College.
- 1.4 The policy should be read in conjunction with the following College policies and procedures: -

- Recruitment of Ex-Offenders statement (Appendix C)
- Rehabilitation periods for certain types of sentence (Appendix D)

2 Legal

- 2.1 The College recognises its explicit duty to comply with all relevant statutory legislation, recommendations and guidance including:
- the Department for Education (DfE) 'Safeguarding Children and Safer Recruitment in Education' 'Keeping Children Safe in Education' – September 2021.
 - In accordance with the 'Keeping Children Safe in Education' – September 2021 legislation all College staff are required to complete the Educare Child Protection Refresher' certificated e-learning safeguarding module refreshing annually, or according to statutory guidance.
 - the Prevent Guidance for England and Wales 2016, last updated April 2021

- <https://www.gov.uk/government/publications/prevent-duty-guidance/prevent-duty-guidance-for-further-education-institutions-in-england-and-wales>
- and any other code and practice published by the Disclosure and Barring Service (DBS) <https://www.gov.uk/government/publications/filtering-rules-for-criminal-recordcheck-certificates/new-filtering-rules-for-dbs-certificates-from-28-november-2020-onwards>

2.2 The policy also refers to the provisions of the Safeguarding Vulnerable Groups Act 2006 as amended by the Protection of Freedoms Act 2012 and defines the activities and work considered to be a 'regulated activity' (work that a barred person must not do.)

2.3 The definition of 'regulated activity' in relation to children comprises:

2.3.1 **un-supervised activities**, namely to teach, train, instruct children, care for or supervise¹ children, or provide advice/guidance on well-being, and drive a vehicle only for children.

2.3.2 **work undertaken by individuals in the College with the opportunity for contact**

Work carried out by volunteers supervised to a reasonable level, in accordance with the statutory guidance on supervision within the College is not a 'regulated activity.' However, a supervised paid College employee does come under regulated employee status because of the definition applied under the Safeguarding Vulnerable Groups Act 2006 as working in a 'specified place.'

2.3.3 The Safeguarding Vulnerable Groups Act 2006 provides that work under 2.3.1 or 2.3.2 is a 'regulated activity' only if it is:

- 'carried out frequently'
- Under the Act this is defined as once a week or more by the same person, or
- if the 'period condition' is satisfied
- Under the Act this condition is satisfied if the person carrying out the activity does so in the following circumstances:
- 3 or more days in a 30-day period or,
 - overnight between 2.00 am and 6.00 am if it gives the person the opportunity to have face to face contact with children

2.4 Under the Protection of Freedoms Act 2012, the definition of 'regulated activity' in relation to adults (any person aged 18 years or over) removed the reference 'vulnerable adult.'

2.4.1 Under the Protection of Freedom Act 2012, an adult is regarded as 'vulnerable' if they require regulated activities to be provided on their behalf at a particular time. This means that the focus is on the activities required by the adult and not on the setting in which the activity is received, nor on the personal

¹ Supervision means day to day supervision as is reasonable in all circumstances for the protection of children concerned.

characteristics, or circumstances of the adult receiving the activities. There is also no requirement for a person to do the activities a certain number of times before they are engaged in 'regulated activity.'

3 Policy Scope and Purpose

3.1 The Secretary of State has the power to bar anyone from employment as a teacher and from work involving regular contact with children or young people in schools and colleges. The College is under a statutory duty not to employ anyone that is barred by the Secretary of State whose name appears on any Vetting and Barring List.

3.2 There are three types of criminal record check that are available through the Disclosure Barring Service:

- **Standard DBS check** – this check only the information held on the Police National Computer, namely records of spent/unspent convictions, cautions, reprimands and final warnings
- **Enhanced DBS without barring information** - this contains the same Police National Computer information as the Standard level certificate plus other information held by police such as interviews and allegations. This information is relevant to the sector and must be approved by the police for inclusion on the certificate.
- **Enhanced DBS with barred list information** (for those individuals that fall under the definition of regulated activity) This type of check adds to the 'Enhanced' check the data sourced from the maintained DBS 'barred lists' of those individuals who are unsuitable for working with children and adults.

3.3 Under the Protection of Freedoms Act 2012, if a role (Appendix E) within the College requires an Enhanced DBS check the College will request if appropriate the barred list check (for children, adults, or both.)

4 Equality and Diversity

4.1 Transgender applicants

The Disclosure Barring Service has a confidential checking process for Transgender Applicants who do not wish to reveal details of their previous identity to the person who asked them to complete an application form for a DBS check. Further information from the DBS is available by telephoning: 0151 676 1452 (Monday to Friday, 9.00 a.m. – 5.00 p.m.) or by sending an e-mail to the DBS Transgender Applications Team, Customer Services Team, PO Box 165, Liverpool, L69 3JD. E-mail: sensitive@dbs.gov.uk

5 Applicants who have lived outside the United Kingdom

5.1 All new staff providing education at the College who have lived outside the United Kingdom are subject to such additional checks as are deemed appropriate where the required DBS Enhanced Disclosure checks are not considered sufficient to establish suitability to work with Children and Adults in a regulated activity.

5.2 Applicants who have resided for six months or more outside the UK in the past 5 years will need to provide criminal convictions clearance from the country(ies) which they were residing in. This is because the DBS does not conduct checks abroad. Further advice on the criminal record information which may be obtained from overseas police

forces is published by the Home Office and is shown on the website www.gov.uk. The Department for Education has also issued guidance on the employment of overseas-trained teachers. This information provides detail on the requirements for overseas-trained teachers from the European Economic Area, and the award of qualified teacher status for teachers qualified in Australia, Canada, New Zealand and the USA.

- 5.3 Applicants requesting documents from overseas will be required where appropriate to pay for their translation into English.
- 5.4 Applicants who have lived overseas will be asked to contact the relevant Embassy to obtain either a 'Certificate of Good Character' disclosure, or similar appropriate criminal record check at their own cost. Upon receipt of the verified documents by the applicant it will be necessary before full clearance to work is issued that the original documents and disclosure should be given to the Human Resources Department. The DBS information line for overseas queries is: 0870 90 90 811 or the Foreign and Commonwealth website is: <https://www.fco.gov.uk> If the country is not listed, the relevant embassy or consulate can be contacted at <https://www.gov.uk/government/publications/foreign-embassies-in-the-uk>
- 5.5 Documents that are evidence of an individual's overseas identity will be retained securely by Human Resources in accordance with the UK Border Agency guidance for the duration of the individual's employment and for a further two years after the individual's employment with the College has ceased.

6 Visiting Staff

- 6.1 Visiting staff such as education mentors **who do not** have regular and unsupervised access to children will not receive a DBS check. The normal risk assessment that applies to all College visitors will be sufficient.
- 6.2 Visiting staff **who do** have unsupervised regular access to children and adults requiring 'regulated activities' such as educational psychologists and sports coaches – their 'providing organisation' will request the check. Human Resources will prior to an individual's commencement seek written confirmation from the respective agencies, thereafter annually that the appropriate checks, including the DBS checks have been carried out and by whom.

7 Agency, Contracted and Casual Staff

- 7.1 Human Resources will seek written confirmation from the respective agencies that the appropriate checks, including the DBS barred checks have been carried out and by whom, providing where reasonable and practicable the necessary reference number.
- 7.2 If a contractor employed at the College is self-employed, the College will obtain the DBS check, as individuals working in a self-employed capacity are not able to make an application directly to the DBS on their own account.
- 7.3 Under no circumstances should a contractor in respect of whom no checks have been obtained be allowed to work unsupervised, or engaged in regulated activity. The College Executive Leadership Team will on all occasions be responsible for determining the appropriate level of supervision depending on the circumstances.
- 7.4 The College will ensure that any contractor, or any employee of the contractor, who is to work on the premises, has been subject to the appropriate level of DBS check. Contractors engaging in 'regulated activity' will require an enhanced DBS certificate

(including barred list information). For all other contractors who are not engaging in 'regulated activity,' but whose work provides them with an opportunity for regular contact with learners, an enhanced check (not including barred list information) will be required.

- 7.5 When an Agency has obtained an enhanced criminal record certificate, the Agency will confirm to the Human Resources Department in writing that the disclosure provides the full details, namely the Police have not using their common law powers under the Protection of Freedom Act 2012 passed on such relevant information to the Agency about the individual which they consider to be justified and proportionate and this has been withheld.
- 7.6 HR and Estates (as appropriate) will check daily that the person presenting themselves is the same person on whom the checks have been made.

8 Trainee/student teachers

- 8.1 Where applicants for initial teacher training are salaried by the College, the College must ensure that all necessary checks are carried out. As trainee teachers can undertake regulated activity, sometimes unsupervised, an enhanced DBS certificate and barred list check must be obtained.
- 8.2 In circumstances where trainee teachers are fee-funded it will be the responsibility of the initial teacher training provider to carry out the checks. The College will obtain confirmation from the provider that it has carried out all pre-employment checks the College would otherwise have been required to perform, and that the trainee/student teacher has been judged by the provider to work with the learners.

9 Students on work/volunteer placements

- 9.1 A minimum age limit for criminal record checks has been set in the Protection of Freedoms Act 2012. This means that the College will not apply for a criminal check for individuals unless in circumstances of employment.
- 9.2 A separate procedure is provided for all categories of students who require checks i.e. work/volunteer placements and the College will take all reasonable and appropriate steps to ensure that other employers comply with the DBS Code of Practice and the safeguarding legislative framework.

10 Staff

- 10.1 The College operates safer recruitment procedures by ensuring that there is at least one person on every recruitment panel that has completed Safer Recruitment training.
- 10.2 The College will ensure that the full range of employment checks for all Macclesfield College staff are carried out to minimise the possibility of any learners suffering harm from those whom they consider to be in positions of trust in whatever capacity.
- 10.2 Where a member of staff changes role and the role is directly concerned with dealing with College learners in the Safeguarding Children and Adult regulated categories, a further DBS Enhanced Disclosure with Barring Check will be carried out to update their record.
- 10.3 All College Child Protection Officers are required to have a DBS check every three years in accordance with 'Safeguarding best practice.'

- 10.4 If there is a break of service of 3 months or more a new DBS check will be carried out. All staff annually will be required to complete a self-declaration confirming their continuing suitability to remain in the employment of the College. This will require confirmation that they have not received or have pending any court appearances, cautions, warnings, convictions, orders or other determinations that would render them unsuitable from working with children or adults identified as vulnerable.
- 10.5 For the purposes of undertaking a DBS check, a 'child' is defined as an individual under the age of 18 years, except in employment situations where the age limit is 16 years.

11 Governors and Volunteers

- 11.1 College Governors who are volunteers should be treated on the same basis as other volunteers, that is, an enhanced DBS check with barred list check should only be requested if the governor will be engaged in 'regulated activity'.
- 11.2 All volunteers are required to undertake a formal safer recruitment interview. Full references including from the volunteers place of work are also sourced to confirm the volunteer's eligibility to undertake any future work within the College community.
- 11.3 All volunteers who are new to working in 'regulated activity' will in compliance with 'Keeping Children Safe in Education – 2021' guidance requires an Enhanced DBS certificate (which should include 'barred list' information.)

12 Employment checks

- 12.1 In addition to the above **mandatory employment** checks, the College will also, as part of its safer recruitment and selection process, undertake the following checks on prospective staff, this will involve:
- verification of a candidate's identity from current photographic identity and current address (HR as 'best practice' will when checking the validity of all documents undertake this by meeting with the candidate. Checks will be undertaken in accordance with statutory guidance.
 - sourcing of a minimum of two written professional references (where appropriate one of the references must be from the most recent employment where the person worked with, or was in contact with children) to confirm previous academic and employment gaps (checking the reasons provided for any identifiable gaps). All references received will originate from a legitimate source and upon receipt will be checked to ensure that all specific questions have been answered satisfactorily. References will as appropriate be clarified with referees by HR in circumstances where replies are vague, or insufficient. Any discrepancies identified will thereafter be followed up with the candidate by HR. evidence of relevant qualifications and current memberships of professional bodies
 - right to work within the United Kingdom through checking the authenticity of pre-employment documentation i.e. passport:
 - a 'crown seal' watermark repeated down the right-hand side of the disclosure, which is visible both on the surface and when holding the disclosure up to the light.

If uncertainty prevails the status of the applicant's eligibility to work in the UK will be checked via www.gov.uk.

- verify the candidate's mental and physical fitness to carry out their work responsibilities via the completion of the College's Occupational Health Form.
- ensure a review of all interview information to ensure that it is fully compliant with statutory and College requirements.

12.2 In addition, the College will undertake a List 99 (Prohibition) check as appropriate to check the status of staff who must not be employed in the further education and skills sector and will also advise of any disciplinary circumstances affecting the individual's employment at the College.

13 Appointment to post prior to receipt of a DBS check

13.1 Managers wishing to appoint staff into post prior to the DBS check being received by the College may only do so in exceptional circumstances or when allowing an individual within a non-student facing role to attend induction training, or to undertake other duties which would not include them in engaging in any form of regulated activity.

13.2 The Recruiting Manager and HR will complete the Safer Recruitment Risk Assessment Form ([Appendix A](#)) prior to submittal to the Principal & Chief Executive.

14 General

14.1 Any person refusing to be checked by the College will be unable to be employed, as this is a pre-requisite to offering or continuing in any contract of employment. The College will cover all fees paid to the DBS in the case of employees.

14.2 Staff leaving within one year of employment, or failing their probationary period will normally be required to repay the cost of their DBs

15 The secure storage, handling, use, retention of disclosures and disclosure information

15.1 The College uses the Disclosure and Barring Service to help assess the suitability of applicants for positions of trust and is committed to ensuring compliance with the respective Code of Practice for the correct handling, use, storage, retention and disposal of Disclosures and Disclosure information.

15.2 The College complies fully with its obligations under the Data Protection Act 2018 and other relevant legislation pertaining to the safe handling, use, storage, retention and the disposal of Disclosure information and has a written policy on these matters, which is available to those who wish to see it on request.

Storage & Access

15.3 Information disclosed on a certificate will never be kept on an applicant's personal file and will always be kept separately and securely in a lockable non-portable storage container, with access strictly controlled and limited to those who are entitled to see it as part of their duties.

Handling

15.4 In accordance with section 124 of the Police Act 1997, Disclosure information will only be passed to those who are authorised to receive it in the course of their duties. The College maintains a record of all those to whom Disclosures or Disclosure information has been revealed and recognises that it is a **criminal offence** to pass this information to anyone who is not entitled to receive it.

Usage

15.5 Disclosure information will only be used for the specific purpose for which it was requested and for which the applicant's full consent has been given.

Retention

15.6 Once a recruitment (or other relevant) decision has been made, the College does not keep Disclosure information for any longer than is absolutely necessary. This is generally for a period of up to six months, to allow for the consideration and resolution of any disputes or complaints. If, in very exceptional circumstances, it is considered necessary to keep Disclosure information for longer than six months, the College will consult with the DBS and will consider the Data Protection and Human Rights of the individual subject before doing so. Throughout this time, the usual conditions regarding appropriate safe storage and strictly controlled access will prevail.

15.7 Once the retention period has elapsed, the College will ensure that any Disclosure information is immediately, and suitably destroyed by secure means, i.e. by shredding, pulping or burning. While awaiting destruction, Disclosure information will not be kept in any insecure receptacle (e.g. waste bin or confidential waste sack).

15.8 The College will not keep any photocopy or other image of the Disclosure or any copy or representation of the contents of a Disclosure. However, notwithstanding the above, the College will keep a record of the date of issue of a Disclosure, the name of the subject, the type of Disclosure requested, the position for which the Disclosure was requested, the unique reference number of the Disclosure and the details of the recruitment decision taken.

Appendix C

Policy Statement on the Recruitment of Ex-Offenders

It is a requirement of the Disclosure and Barring Service (DBS) Code of Practice that all Registered Bodies must treat DBS applicants who have a criminal record fairly and must not discriminate because of a conviction or other information revealed. It also obliges Registered Bodies (the College) to have a written policy on the recruitment of ex-offenders; a copy of which should be given to DBS applicants at the outset of the recruitment process. The Policy Statement will also accompany the College's Equality and Diversity Policy.

Statement

- As an organisation assessing applicant's suitability for positions which are included in the Rehabilitation of Offenders Act 1974 Exceptions Order (as amended by the Legal Aid, Sentencing and Punishment of Offenders Act 2012) using criminal record checks processed through the Disclosure and Barring Service (DBS), The College complies fully with the Code of Practice and undertakes to treat all applicants for positions fairly. The College undertakes not to discriminate unfairly against any subject of a criminal record check on the basis of a conviction or other information revealed.
- Where a DBS check is to form part of the recruitment process, the College will encourage all applicants called for interview to provide details of their criminal record at an early stage in the application process. The College will request that this information is sent under separate, confidential cover, to the Human Resources Department. The College guarantees that this information will only be seen by those who need to see it as part of the recruitment process.
- The College can only ask an individual to provide details of convictions and cautions that the College are legally entitled to know about. Where a DBS certificate at enhanced level can be legally requested, (where the position is one that is included in the Rehabilitation of Offenders Act 1974 (as amended by the Legal Aid, Sentencing and Punishment of Offenders Act 2012), and where appropriate the Police Act Regulations as amended, the College can only ask an individual about convictions and cautions that are not protected.
- The College is committed to the fair treatment of its staff, potential staff or users of its services, regardless of race, gender, religion, sexual orientation, responsibilities for its dependents, age, physical/mental disability or offending background.
- The College has a written policy on the recruitment of ex-offenders, which is made available to all DBS applicants at the outset of the recruitment process.
- The College actively promotes equality of opportunity for all with the right mix of talent, skills and potential and welcomes applications from a wide range of candidates, including those with criminal records.
- A DBS check is only requested after a thorough risk assessment has indicated that one is both proportionate and relevant to the position concerned. For those positions where a DBS check is required, all application forms, job adverts, job descriptions and recruitment briefs will contain a statement that an application for a DBS certificate will be requested in the event of the individual being offered the position.
- The College will ensure that all individuals involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. The College will also ensure that all staff have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders e.g. the Rehabilitation

of Offenders Act 1974 – changes with effect from 10 March 2014 to rehabilitation periods as contained in section 139 of the Legal Aid, Sentencing and Punishment Act 2012. With regard to the changes, all cautions and convictions for specified serious violent and sexual offences, and other specified offences of relevance for posts concerned with safeguarding children and adults in a regulated activity, will remain subject to disclosure. In addition, all convictions resulting in a custodial sentence will when applying for jobs remain subject to disclosure for the rest of the individual's life, as will all convictions where an individual has more than one conviction recorded.

Initial guidance and criteria about the Rehabilitation periods for certain types of sentence /disposal under the 1974 Act (as amended by the by the Legal Aid, Sentencing and Punishment of Offenders Act 2012) is detailed below in Appendix D below.

Additional supporting information in respect of the above can also be sourced from the Disclosure Barring Site website www.gov.uk/government/publications/dbs-filtering-guidance

This website contains full details of the filtering rules and a list of offences which will never be filtered. Alternatively, applicants may seek further guidance on the 'filtering rules' by contacting the DBS. Contact number: 0870 909 0811.
