

# Student Council - Meeting Minutes

*January, 2024*

## Attendees

Student representatives from:

- Health and Social Care
- Light Motor Vehicle
- Creative Media
- Engineering
- Pathways

## Updates since last meeting:

- More guest speakers - Fire and Rescue, Police, Hair and Beauty
- More trips - Creative Media, Art and LMV
- Green Team - meeting to discuss the options around TerraCycle in February
- Bells remain off - students happy around this decision

## Positives of this half term:

- Positive changes to timetabling, topics and tutors helping provide direct feedback and manage time better
- Attendance positive after the Christmas break - students excited to commence the second term
- Exciting things happening in areas - Creative Media is ready to commence their final major project and is looking to put on a show at the end of the year.
- Better behaviour in shared spaces - particularly in the library.

## Discussion points for change:

- Busy points in the canteen - noted as 12 and 1:30 pm.
- Students still need to purchase new ID cards/lanyards regularly
- Issues raised around software and connectivity in certain rooms
- More enrichment opportunities
