

Student Council - Meeting Minutes

November 2023

Attendees

Student representatives from:

- Light Motor Vehicle
- Pathways
- Access to HE
- Childcare
- Animal Care
- Creative Media

Updates since last meeting:

- Bells - trial of no bells up to Christmas on Student Voice feedback
- The canteen opening from 11:45 to support queue lengths
- Options for food allergens and tolerances can be requested at the point of purchase

Positives of this half term:

- Praise for staff - Teaching Staff & Learning Facilitator team. Students reported a lot of support from staff, peers and LFs helping with the transition to college really well!
- Students noted the quick and constructive feedback in Childcare particularly, helping them feel confident in their abilities
- Thumbs up for the recycling bins around College - step in the right direction
- Access learners indicated they felt very included in College life. e.g. student ambassador

Discussion points for change:

- Request for more breakout space in Mulberry, and quiet spaces in the main building
- Food - requests to diversify the offering with suggestions such as building your own stir fry, pasta pots, and fruit kebabs!
- Need for more recycling options. Terracycle is to be considered at Green Team meetings.
