FURTHER EDUCATION REFUND POLICY

1. Policy Statement and Scope

Macclesfield College, through its Strategic Vision Plan is committed to preserving continuity of study for all students registered on a course of study and acknowledges its responsibilities and duties in law.

The Further Education Refund Policy outlines the arrangements for refunds that may apply to students or their employers/sponsors on Further Education or Full Cost programmes.

The Policy includes courses funded through Advanced Learner Loans.

This Policy sets out how the College will process refunds, and applies to all students registered with the College, and their employers / sponsors where fees have been paid on behalf of the student (except those on a Higher Education course of study – please refer to the separate Higher Education Refund and Compensation Policy).

The Policy shall apply to all College students, irrespective of the funding arrangements for their Further Education or Full Cost programme, including where:

- Students are in receipt of an Advanced Learner Loan from the Student Loans Company;
- Students pay their own tuition fees;
- Students whose tuition fees are paid by an employer or sponsor.

2. Refunds

A **refund** relates to the repayment of sums paid by a student to the College or an appropriate reduction in the value of sums owed in future by the student to the College.

The College shall refund all fees in full should a course be cancelled owing to insufficient numbers, or where the College is unable to preserve the continuation of study or if the attendance of the student is not possible because of action taken by the College.

The College shall also refund all fees in full should a student enrol in advance and subsequently withdraw from a course either prior to the course commencing, or on or before 14 days from the date of commencing the course (initial liability point), subject to the specific conditions detailed in Section 4.

Invoices raised in respect of fees owed shall be credited, and any fees paid shall be reimbursed to the appropriate student, sponsor or employer within 14 working days of receipt of the Request for Refund by the Finance Department.

Tuition Fee/Advanced Learner Loan – the College shall arrange for the Student Loans Company to claw back any payments made directly to the College using a Change of Circumstances instruction.

Student – where a student has made payment directly to the College themselves, a full refund will be made to the student within 14 working days of the date that the approved Request for Refund is received within the Finance Department. The method of refund payment shall be consistent with the original method of fee payment in line with Section 7.

Sponsor/Employer – where fees have been paid by an employer or sponsor in respect of a student, the refund shall be made directly to the employer/sponsor. A credit note shall be raised against the customer account, and the method of refund payment shall be consistent with the original method of fee payment in line with Section 7.

Refunds will not be offered where course closure is temporary or due to circumstances beyond the College's control including but not limited to fire, flood, or other force majeure, adverse weather conditions, failure of public utilities or transport/network, restrictions imposed by the government, terrorist attack or threat of, epidemic or pandemic disease, temporary staff absences or changes including those due to industrial action.

Where a student withdraws early and is entitled to a refund of tuition fees, the college may deduct the cost of any other outstanding debt from the refund, except in the case where a student's fees are paid through a tuition fee loan.

In the event of a course closure, refunds will not be paid to those learners who have:

- Voluntarily left the course;
- Not attended for a period of four weeks prior to closure without previously agreeing a period of planned absence with their course tutor.

The full Student Refund Process: Further Education (including Advanced Learner Loan and Full Cost) is illustrated within the flowchart contained in **Appendix 2**.

3. Course Cancellation

The College reserves the right to cancel any course with prior notice should there be an insufficient number of students enrolled on the course, or for any other operational reason determined by the College.

A course may also be cancelled in the unlikely event of the College being unable to preserve the continuation of study. In the event of a course cancellation, the College shall make every attempt where possible, to provide alternative arrangements for students already enrolled on the course. This may extend to the offer of alternate days, times or venue or acceptance to an alternate course provision.

In the unlikely event that the College is unable to 'teach out' students on a programme that is being discontinued, the College will make attempts to provide transfer opportunities to an alternative course in the first instance, or to a suitable programme at another UK College.

Should alternative arrangements not be suitable to the student, a full refund of tuition fees will be refunded to the affected students.

4. Complaints

Should a student believe that the College is not fulfilling its obligations in respect of further education programme delivery, or that a substandard service is being received, a formal complaint may be made where informal dialogue has proved unsuccessful.

All complaints are subject to the College's Complaints Procedure and should be directed to the Quality Team in writing to quality@macclesfield.ac.uk, who will record and investigate the nature of the complaint.

At the conclusion of the investigation, a report shall be presented to the Director of Finance, who will determine the most appropriate form of redress. This may result in a requirement for the College to repeat performance, or to perform to a specific or required standard.

An alternative outcome may be in the form of a full or partial refund, including a reduction in fees and financial recompense where this can be clearly evidenced, or some other form of non-financial remedy.

The Quality Team will communicate the outcome to the complainant and arrange to prepare a Request for Refund Form (**Appendix 1**) to confirm the complaint decision. Copies of the request shall be passed to the Director of MIS and to the Director of Finance.

Should a refund be due, this will be prepared by the Finance Department and paid within 14 working days of receiving the approved request. The Director of Finance shall arrange for the affected party to be notified of the refund payment.

Should a refund be declined, the Quality Team will advise the student of the outcome and further advise that an appeal may be submitted to the Deputy Principal within 5 working days if dissatisfied with the decision.

If the internal Complaints and Appeals processes do not achieve a satisfactory outcome, the Office for the Independent Adjudicator (OIA) may be approached for an independent, impartial review.

Individual claims for redress and/or recompense through the Further Education Refund Policy will only be considered following the successful conclusion of the Complaints Procedure. All subsequent claims should clearly refer to the complaint outcome, impact of the change in course provision and steps taken to mitigate any loss.

5. Withdrawals

In the event of a student withdrawal from a Further Education Course or Full Cost course, a refund or waiver of financial liability may only be considered where all of the following criteria apply:

- The withdrawal is on or before 14 days from the learning start date (initial liability point);
- The course of study is Level 2 or above;
- Course fees are £500 or more;

- Course duration is 10 weeks or greater;
- The course Programme Leader has been advised and supports the reason for withdrawal.

No refund or waiver, either full or partial will be available in the event of a withdrawal where the above conditions are not met in full.

No refund or waiver, either full or partial will be available in the event of a withdrawal beyond the initial liability point.

Note. The student should consider the decision to withdraw carefully and is advised to approach their Programme Leader and/or Student Services initially to determine what options are available to them, and the likely financial consequences resulting from their withdrawal.

6. Exceptional or Extenuating Circumstances

Should a request be received from the student to withdraw owing to personal circumstances once a course has commenced, a refund or waiver will not be granted, unless the conditions within Section 5 apply.

However, consideration may be given where exceptional and/or extenuating circumstances can be clearly demonstrated, including:

- Death of spouse/partner, parent or child;
- Serious physical or mental illness that prevents the student from continuing with his or her studies;
- Serious personal injury that prevents the student from continuing with his or her studies.

The above list is not exhaustive, and each request will **require the submission of certified medical or other documentary evidence**. Requests will not be considered without the appropriate documentation, and the student shall remain liable in full.

All requests for a refund or fee waiver in these circumstances should be submitted in writing initially to the course Programme Leader, with a copy to the Income Controller (salesledger@macclesfield.ac.uk), and should contain clear, written, documented evidence to support the request.

Requests for refunds / fee waivers will be subject to approval from the Director of Finance

Requests for refunds / fee waivers must fall in the same academic year as the enrolment

7. Debt Recovery

The student shall remain liable for all fees due unless a refund or fee waiver is approved, and irrespective of loan application status and payments received by the College to the date of withdrawal.

The College Debt Recovery Procedures shall apply where fees remain outstanding until a refund or fee waiver has been approved, or where a refund/fee waiver request is refused following withdrawal.

The College may pass student or company details to a third-party collection agency to support debt recovery action should fees owing to the College remain outstanding beyond their due date, in accordance with Article 6(1) (b) of the General Data Protection Regulation.

8. Administration of Refunds

Refunds will be processed by the Finance Team within 14 working days of the Request for Refund instruction being received, and where possible shall be made via the same payment method, through which the College received the funds in the first instance.

Payment Method	Payment Details
BACS	All payments of refunds shall be made by BACS where bank details are available.
Card / Online	Payments originally made by card payment shall be refunded to the same card where possible.
Cheque	Cheque payments shall be made where refund by BACS or card is not possible.

9. Data Protection

The College will comply with the Data Protection Act 1998 and General Data Protection Regulation (GDPR) by ensuring that personal data collected in relation to this policy is:

Collected and processed lawfully, fairly and transparently for only specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes.
