

How to access your results on ProPortal

As a student, log into ProPortal at the link below:

Login with your usual College username (Student ID number) and password.

On your Student Detail page, make sure you have the correct academic year dropdown selected.

Click on the 'Information' menu option in the left pane of the window.

The screenshot shows the ProPortal interface. On the left, a sidebar menu has 'INFORMATION' highlighted with an orange box. Below it, 'Exams' is also highlighted with an orange box. The main area displays 'Exam Entries' in a table. The table has columns: Awarding Org, QE Code, QE Title, Exam Date/Time, Room, and Grade. The 'Grade' column is highlighted with a green box. A blue arrow points from a text box below to the 'Grade' column.
